1939

## SPRING TRADE LIST

of

## PERENNIALS and ROCK PLANTS

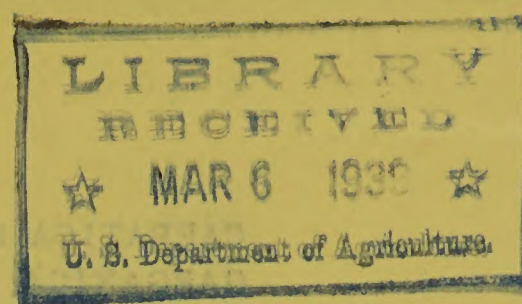

All propagated and grown in our own nursery

E. J. SNYDER

WEST MILTON, OHIO

Dayton-Covington Pike, 17 Mi. North of Dayton

Telephone 23F13

SPECIMEN and POTTED STOCK listed pages 4, 5 and 6.

## LINING-OUT STOCK

Strong young plants from outdoors, ready to plant outdoors.

Excepting anemones (japonica) we sell no plants from the sand of the propagating benches.....Seedlings are from open beds sown last spring and summer.....Divisions are from prime field plants.....Cutting-grown items were established in soil last fall and winter in open beds and sash-covered coldframes.

Priced per 100, 25 at the 100 rate.
